

44' Solaris 2023

Description

Solaris power 44' Open Boat Yacht is far more than just a pretty face. A boat as stylish as the Solaris Power 44 was never going to be a cheap option but it's reassuring to know that your money doesn't just buy you a smart set of clothes. It also buys you a craft with substance and a hull of real integrity.

Even the accommodation is better than you'd expect from those rakish looks. It's all open-plan, other than the generously sized heads compartment, but with a good-sized double bed forward and another under the cockpit a family of four can spend a weekend on board comfortably enough.
