

# 43' Pardo with 2 SeaBobs

## Description

Our Italian-built, brand new, 2021 PARDO 43's chic design separates itself from all traditional vessels. This head-turner is the perfect combination of style meets function for the ultimate in day yachting.

Be seen in our most stylish and newest yacht. Designed for day boating, this vessel has it all, including abundant outside space with a classy, modern, spacious European cabin and bathroom.

The walk around design is one of the main advantages of the deck, providing extra space and facilitating safe access to the large bow sundeck. As in very large yachts, an optional longer stern swim platform submerges for making it easy to step on or off board, take a swim, shower outside, or for use as an extra entertainment area.
